Option 1: Charge account at the landfill provided the following criteria is met.

- Must be a legitimate business
- Security deposit based on estimated one month tonnage from vendor with a minimum of \$500.00. Security deposit may be refunded at termination of customer's privileges and full payment of all invoices is made
- The landfill will bill for actual tons and customer must pay from invoice within 20 days. Failure to pay is grounds for termination of privileges and revocation of security deposit.

Option 2: Contract

- If anticipated 100 tons or greater, a volume contract may be negotiated.
- Customers that have not used the landfill for over 3 months, which have charge privileges, will have their accounts closed and will need to reapply for charge privileges
- This option will eliminate the problem for customers that write a check for each load, but use the landfill on a frequent basis

We understand that we will be billed on a monthly basis. We know that failure to make full payment by the 30<sup>th</sup> of each month will result in termination of the privilege to charge tipping fees at the Logan Landfill.

We are aware that a finance charge of 1.5% per month, not to exceed an annual rate of 18% will be assessed on accounts 60 days past due.
